

## **BactiVax European Training Network: Consent Form for Early Stage Researcher Applicants**

Welcome to the BactiVax MSCA ITN Recruitment Process. Before you submit your application, please review the sections below, which contain important information concerning the online application process.

**Consent:** To comply with General Data Protection Regulation (GDPR), we need to have your consent to process and store your application. By applying via email to [office@bactivax.eu](mailto:office@bactivax.eu), you are consenting to:

(i) submit your employment documents and information electronically, to be considered for an Early Stage Researcher position within the BactiVax European Training Network (Grant Agreement ID: 860325).

(ii) conducting any matters related to the recruitment, application, background check, and/or onboarding process electronically. **Please note that the consent form needs to be signed individually (electronic signature is also accepted) and included in your online application.**

**Withdrawal of Consent:** You have the right to withdraw your consent to submit your online employment application electronically. If you choose to do so, please note that this will result in automatic disqualification of your electronic application from further consideration for employment. You may withdraw your consent by emailing BactiVax recruitment at [office@bactivax.eu](mailto:office@bactivax.eu).

**Updating contact information:** Please note that it is your responsibility to update the BactiVax programme regarding any changes to your contact information.

**Privacy:** Personal data that you enter will be used exclusively by the BactiVax team (Principal Investigators, Management team, Beneficiaries and Partners) and the European Commission (funding agency) for administration, evaluation and management of your application, as well as for preparing reports or audits that may be required by the European Commission. The BactiVax team to whom your data may be transmitted may be situated outside your home country, in a country which offers a level of data protection different from the level applied in your country. By submitting your data, you consent to the processing, use, and transfer of your personal data as outlined in this agreement and statement, in accordance with GDPR.

Please note that we will keep applications on our records for five years from the time of application, exclusively for audit purposes that might be required by the funding agency.

By signing this form, you are agreeing that you have read and understand the above and consent to submit your application electronically. We will be unable to process your application if you decline to accept the terms and conditions in this form.
